

- Paving stones are age, weather and traffic-resistant black polished granite, sized 12" x 12"
- Engraved paving stones provide plenty of room for personal inscription in memory, honor or thanks
- Each sponsored stone will be placed on the museum grounds for public appreciation
- Paving stones can also include an engraved logo
- Stones may be sponsored by individuals, families, organizations or businesses

Examples of Engraved Paving Stones

Honor a Family Member

Demonstrate Family Support

Memorialize a Fallen Officer

Honor Outstanding Achievement

Just Say Thank You

Demonstrate Support

Celebrate Partnerships

Honor Officer's Retirement

A thank you card and a photo of your paving stone will be sent to you upon completion of your stone. A gift acknowledgement is also available upon request. Museum Staff will be available to assist visitors in locating their paving stone on the museum grounds.
