

## Game Warden Museum Partnership or Sponsorship

My company or organization wishes to discuss sponsoring or partnering with the Game Warden Museum in its mission to educate the public about wildlife conservation enforcement.

- We are interested in providing resources for educational programs and exhibits.
- We would like to discuss partnering for a one-time or annual event at the Museum site.
- We are interested in the full sponsorship of -- and naming privileges for -- a major permanent exhibit, travelling exhibit or portion of the museum.

**Educating.**
